After last week's landslide election, there was plenty to celebrate and with truckloads of beer, plenty of food and the promise of interesting entertainment, a short run was the order of the day.

After quickly crossing Grand junction Road, the trail ran menacingly close to the retirement villages, providing ample opportunity for some members of the pack to view first-hand potential future residential options!

Threading through the parklands, the trail looped below the O-Bahn track before leading to a Hash Halt back at Grand Junction Road. From here a split offered the walkers a shorter route back to the waiting beer, while the runners were taken on a scenic tour of the Holden Hill industrial area, before looping back under the O-Bahn and back to the run site.

Runners were back in about 50 minutes, with the walkers arriving back a few minutes earlier, after determining that the Hash Halt was not applicable to them as they were accompanied by Unstoppable!

Many thanks to the outgoing committee for a terrific evening.

Additionally, many thanks to the outgoing committee for another successful hash year. We have enjoyed some great runs (including joint runs and a fantastic celebration run at Port Hughes), plentiful cold beer and softies, some great nosh and entertaining circles. Thank You!

Lastly, congratulations to the incoming committee!
