Run Details	Run Report – ELF’s magic Cave Hares – Snitch and ELF 16 Runners	
5 August 2024 Run 2552	<p>Yet another chilly night saw only the bravest of hashers show up for another evening of fun and frivolity, and as it turned out, Palindrome run of the year, yes five hashers with Palindromic run numbers and even the AH3 run number was a Palindrome WTF!. With the runners gathering and wondering if they should be running backwards or forwards, the Hare soon sorted that out with his chalk talk with onon being out the door to the left, unfortunately there was no drink stop on the Hare’s <b>radar</b>. With the threat of rain was swiftly thwarted by the RA, there was no need to bring a <b>Kayak</b> to hash this week. The running trail saw Baxter take off like a <b>racecar</b> down Warrigal Street and it wasn’t long before the pack found Olive shortcutting to make sure she was a front running bastard. The walkers managed to keep up with the runners, primarily due some clever short cutting. The walkers managed to do a good <b>deed</b> and scrub a couple of checks for the runners. Trail was mostly <b>level</b> with of few uphill to slow <b>racecar</b>. Back at the run site it soon became apparent that Baxter was missing in action, we were starting to worry that he won’t be back until <b>noon</b> the next day, in fact we thought he might be in <b>Glenelg</b> , we were about to send out a search and rescue, after all it is our <b>civic</b> duty, and what would his <b>Mum</b> think if he didn’t return home. Just as we were about to set off, in came Baxter to <b>wow</b> the crowd with his crazy excuses for being lost, for example he said he had to stop to look at a <b>Bird Rib</b>, attend a <b>peep</b> show, do the <b>deed</b> on a <b>rotator</b> whilst eating a <b>taco cat</b>, way too many <b>sagas</b> for my liking. Fun fact everybody <b>Aibohphobia</b> is the name for an irrational fear of palindromes., feel free to <b>refer</b> to this anytime. All in all, it was palindromic good time.</p> <p>Following the circle the Hares treated us to some delicious slow cooked brisket and rolls followed by ice-creams for dessert.</p> <p>Thanks Snitch and ELF for a grouse night.</p> <p>Onon short trash is a good trash!</p>
