Run Details Run 2549 15 July 2024	Run Report - 2 The Outlook Salisbury Heights	Hare – Iron Knob 13 runners & 2 dogs	Unfair and subjective Run Score
<p>It was a dark and stormy night. Well.... dark anyway. But obviously cold enough that only the bravest of hashers could be tempted to leave their warm homes and drive to Iron Knob's stronghold.</p> <p>The small pack was sent off into the night with the vague announcement that there MIGHT be a drink stop. What's all this 'might be' BS???</p> <p>I thought at one point early on during the run that I should have brought my ski's; as we slipped our way through paddocks and rocky creek beds. "♪ Slip sliding away. Slip sliding away. The nearer our destination the more we're slip sliding away ♪".</p> <p>With plenty of checks to keep the pack together the runners met the walkers on many happy occasions.</p> <p>At one point, I thought I'd heard our own Moped in the far distance. In any case, it was certainly the sound of a try-hard motorcycle. Then, I reconsidered. I had always thought Bus Stop was a gentleman, but the sound of farting was now too apparent. I am too much of a lady to say anything, but I decided not to run so close to him in future. Turns out it was actually Unstoppable and Inherendo. Now, I know they had been feeling crook, but; wow. They tried to blame their Telsa car.....come on... Now I've heard everything. Somehow Bearded Clam knew that farting meant 'drink stop'. Must be a guy thing.</p> <p>Then the heaven's opened and it totally bucketed down. (Never let the truth get in the way of a good story). There WAS precipitation however, and Bus Stop was heard bitching and moaning the rest of the way home; as he knew he'd need to be punished.</p> <p>MAP:</p> 			8

Once back at Iron Knob’s bunker we dried off by the very welcoming fire bucket, until we were rudely interrupted by our RA’s ‘chanting’ (is that what you’d call it??) that circle was about to begin.

Bus Stop was feeling quite vulnerable during his tirade over the circle due to fears of a snipper hiding over the grassy noll. No-one really knows what a grassy noll is, but apparently Bus Stop could see one from his pedestal. At one point, he felt something hit him in his right ear. He went down (any excuse). Although Chesty dived valiantly in front of him to protect him from further ‘attacks’, it seems it was all in vain.....it was only spittle from Gout as he gulped his down down.

I was overwhelmed with emotion as I discovered I had been awarded last years ‘run of the year’. Unlike dyslexia in this group..... The BRA was set very low (Unstoppable). I realised that it must simply have been that I had TWO drink stops. Perhaps the trophy should not be ‘run’ of the year, but ‘Drink Stop’ of the year. Hot tip: set your run inside a pub and you are bound to win.

While on the subject of Bras, Unstoppable accused Bearded of being a very unsupportive bra, because, (allegedly) unlike Bus Stop, he did not do a good hand job.... oops, sorry... a good job of hand-over to her when she was new to Trash writing.

While STILL on the subject of Bras.... or to be more precise, Boobs / Tits / Mams / Puppies / Milk makers / Knockers / Jugs / Lady Lumps / Hooters / Cans / Bosoms / Fun Bags / Breasts. As I said in last week’s trash, I realise it is tradition in this Harriers group for pictures of the above to be below. I will not be derelict in this duty; however, I may disappoint slightly. Being a member of the gender (of which there are now 81 apparently) that possesses my own pair of ‘take you pick of your favourite word above to describe the subcutaneous fat, ducts and other tissue that is found on the chest’, I have no desire whatsoever to google pictures of them. I understand

that it IS my duty to post pictures of them, so I'll HAVE to Google them, however, I'll not be posting pictures of the obvious FAKE ones that are usually in the Trash. Instead, I will be posting pics of REAL ones. As such, I promise that this year I will even post a pic of my own. Yes, you read that correctly. My own. And I welcome each and every one of you to email me a pic of your own chest area (females, males and all 79 genders of you) so that I may also post yours. Never fear.....I will not be including faces or any recognisable features. All the chest pics I post this year will be chest only. So.... if you want to be involved, perhaps send me 4 or 5 pics of chests, including your own, so no-one can recognise you. It will therefore be totally anonymous. This week I have included fake AND real.... see if you can tell the difference.

This week two of our battle-hardened veterans; Nifty (1800) and Chesty (1300) were awarded prizes for obviously having nothing better to do on a Monday night for the last 34 and 25 years respectively. That's a lot of beers! Congratulations. Although their personalised tank tops from memorabilia were well designed and great quality, I'm sure the hand-written paper cups from Bus Stop (aka memorabilia wannabe) will be their most treasured gift for years to come. Who needs engraved mugs while Bus Stop is around?

After a wonderful round of singing from the 'Harmonious Harriers', nosh was devoured. Nosh consisted of chicken wings, chicken wings with more chicken wings. Desert was chicken wings, chicken wings and yet even more chicken wings.

See you all next week (oh shit, I mean tomorrow) at Inherendo's. I'll sign off here and get back to watching the series finale of "The United States of America".
