(Everyone's a Winner)

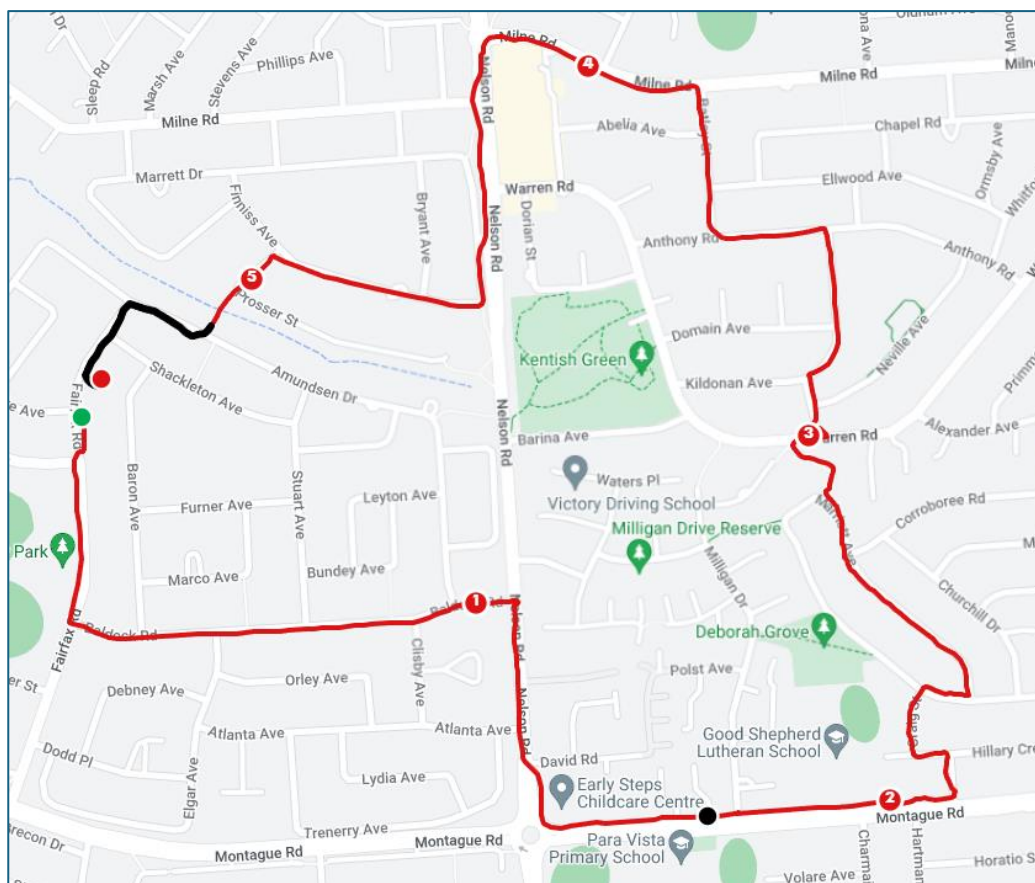

The run was a bit of a balls up. Gout laid it on Saturday and the rain on Monday washed most of it away. He was working Monday and only had an hour after work to relay trail – so he just relaid the walk and planned to guide the runners himself. That didn't work because he waited at the check (which was also the secret walker/runner split) on Nelson Road to direct the walkers, and then couldn't catch the runners again!

The runners headed east on Montague Rd as directed by Gout but couldn't find any arrows and so we made up our own run. We eventually found the walkers trail again (with nice fresh "Gout's grout" arrows) and ran home, passing the walkers near the end. We ran 5.3km.

The runners only saw two checks, and there was no drink stop as Gout was busy. The walkers however had good fresh trail and no real complaints. We all got back in under the hour, suitably thirsty – so I gave the run a generous score of 4/10 and the walk 7/10.

!About 5.3 Km

The circle was in equal disarray as over half the Committee weren't there, including the RA and GM. Betty Boop volunteered to be RA, McTaf took on her Choir Mistress duties and I (Chesty) did the Trash. RA Boop did boopy things like an almost palindrome charge for Crunchy (54 runs) with Buddha in to keep her company as "Harriettes never drink alone". Doubles were McTaf & Moped, and returners were Rusty Box, Tight Lips & Boop herself.

Special numbers this week were for those over 1000 runs – Buddha, Chesty & Elf (she missed Nifty), and also for Inherendo on 97 (with No Balls to keep her company).

Run reports:- Buddha thought the run was good once we hit the fresh arrows, and co-hare Rusty Box gave the walk a score of 8/10! What's Boop doing asking a hare for a run report!?

Olive & the anchor were absent, so Boopy called in Elf & No Balls as "stand-in Olives" and Rusty Box as a stand-in anchor! Boopiness sometimes works!

Continuing the theme, Committee stand-ins McTaf, Betty Boop & Chesty had a drink.

Charges from the circle

Gout was successfully charged for having blocks of wood under his outdoor table legs (in case of floods) – with Elf & No Balls for company.

Lost property – a cloth NASA logo found on the walk – was awarded to Bearded (+ No Balls)

Not making a charge during charges – Crunchy, Inherendo & Boop – and later Loose Lips, Nifty and No Balls

Gout – for laying trail using grout

Chesty – will have a birthday next year (who won't?)

The end of circle song was the Cucumber Song.

After the circle Gout put on some great nosh and largely redeemed himself. The main was lots of lasagna and lots of salads - and dessert was Gout's famous rice pudding. He even provided Dickhead with non-lactose versions of both courses. Can Gout get both Nosh of the Year and Shit Run of the Year for the same run? We shall see.

YEARLY CHARGE TALLY – *(These statistics will not hold up in court).*
