Run Details	Run Report – Stirling Tennis Club Hares – Flash, Rupert, Popeye 24 Runners		Unfair and subjective Run Score
<p>15 January 2024 Run 2523</p>	<p>With the three amigos from Stirling renowned for setting great runs and providing shit nosh, we could only wonder what these traditional hashers would have in store for us this year.</p> <p>With a good-sized pack gathered at the Stirling Tennis Courts we were briefed by Flash on the upcoming run and warned that there would be no special trails for walkers but instead generous use of “U-turns” which we were soon to discover effectively meant “check-backs” or “back-checks without a check”.</p> <p>As the runners headed off confidently from the tennis courts we soon discovered what looked to be a typical check which was quickly broken by Elf, only to discover (after quite a while) that this was the first of many of these cunning “U-Turns”.</p> <p>The generous use of these U-Turns allowed the walkers to keep up with the runners and in some cases actually get in front them. Later in the run, however, the runners managed to shake off the pesky walkers and enjoyed a challenging series of running trails and checks which kept the pack together well.</p> <p>Having created the run in the shape of a long skinny rectangle, the hares had built in plenty of scope for any alert walkers to cut off significant chunks of the trail through some judicious short-cutting. The stubborn walkers, however, refused to even consider any offered short-cuts and instead insisted on completing the whole trail.</p> <p>After a challenging 6km run the runners arrived back at the trailer in just over the hour, with the stubborn walkers coming in about half an hour later. In the normal course of events the runners would have taken great pleasure in taking the opportunity to devour all the nibbles before the walkers got back. On this occasion however, there were no nibbles for anyone to devour!</p> <p>With everyone back, a quick circle was conducted by the stand-in RA, McTaf, after which we were treated by to a single course of barbecued burgers complemented by onions, rolls and salad.</p> <p>There was general agreement that this had been a really well-set run in a particularly scenic running environment.</p> 		<p><b>8</b></p>
