Run Details	Run Report – Laratinga Wetlands Mount Barker  Hare – Joint Run Scribe – Betty Boop		Unfair and subjective Run Score
2 April 2024 Run 2534	<p>Being a Tuesday after a public holiday, this run was a combined club run. It was really enjoyable to have both packs together, especially as PFD does a really good trail. Well, it was a really good trail for nearly everyone..exept No Balls. Somehow, No Balls managed to go to a completely different part of Laratinga Wetlands somewhere else in Mt Barker....or maybe even Stirling....No Balls didn't get to the on afters until 8.30.....Plaintive cries were heard.." Where were you?".... " On trail" replied the pack. Plenty of prettily patterned flour arrows to follow. It's always a lovely tour through Mt. Barker...plenty to look at. Lots of native wetlands, scrub, smart streetscapes, pretty autumnal colours.</p> <p>We even went past the swanky headquarters of the luxury Jurlique beauty brand. Boop was especially interested in that. Over parklands, through gates, beside trotting cows and through a golf course. Well done PFD. Back From The Not Quite So Dead....Pleezeyrself , Eunik, Bin there, Dun that. A Bit More Dead... First 2 Cum, Double B, Cow Pat, In Her Endo, Unstoppable. Late Comer...No Balls... Plenty of yays and Boos for the 45th and greatest Adelaide Hash GM.. McTaf. Non-attendance from the Adelaide Harriette R.A Crunchy Crack....that annoying thing called work.... Chesty made a very fine Choir-Master and regaled us with a good variety of songs, some of which Boop didn't have enough paper to write down. Palindromes Captain Knockers.....353....First 2 Cum....141 Special Numbers.....166 Unstoppable... 118 Cowpat..also Double digits...just like Boop and Mctaf had a matching pair...83... Plenty of charges....lots went to No Balls for various misdemeanours.</p> <p>Also plenty of charges from No Balls for the runners that chose to be walkers...thus becoming Transpedals....Bearded Clam, Nifty , Chesty, No Balls( charging herself ).. First 2 Cum was charged for being named thus but was the last to arrive at the wetlands ( aside from No Balls) At this point Boop ran out of paper so insert your own songs here.....</p> <p>Looking forward to the return of hashers on overseas trails so more people to enjoy the fun. On On Betty boop.</p>	8	

Estimated Distance 7.5km
