29 April 2024 Run 2538	<p>After a relaxing long weekend, most of looked forward to a leisurely run and welcome few beers to recover from the long break. With only 5 in the running pack we knew that it was not going to be easy.</p> <p>As promised by the hare, there were no cows at the cowshed (nor Mahindra tractors) and for sure there would be no hills in this really flat area. To cap things off a drink stop was promised as well as the inevitable runner/walker splits.</p> <p>With the checks presenting little difficulty, the gang of 5 worked cooperatively to ensure that that we would not lose anyone before the drink stop. At the promised hash halt we enjoyed the view and welcomed the picture taking opportunity before heading off on a meandering trail towards the sports centre. Sure enough there was Moped manning the drink stop, carefully guarding an esky stocked full of ice-cold Smithies beer.</p> <p>After a more than welcome drink, and still no walkers in sight, we took off on a loop which took us out past James Nash House, before looping back to the cow-less cowshed.</p> <p>Runners were back in around the hour, with the walkers back not long after. As the stand-in hare prepared a short list of charges and Shit Lips warmed up the bugle, the rest of us enjoyed a warm spicy soup.</p> <p>A short but well conducted Anzac service allowed us to show our appreciation for those who have given so much our great country. After a short circle we enjoyed some terrific, capping off what had been a most pleasant evening.</p> <p>Many thanks to the hares and special thanks to Shit Lips.</p> <p>Lest We Forget!</p> 		7
