As your new Trash writer, I have some pretty big shoes to fill. Seriouslyhave you ever seen the size of Bus Stops feet????!! I’ve learnt over the years that if you do a shit job of something, you won’t be asked to do it again. So, prepare yourselves for a year of trashy trash.

I realise that this men’s hash has a tradition of putting boobs at the bottom of the newsletter. Never fear, even though I am a female, (and, surprisingly in this new ‘woke’ world, I also identify as one) I will not break with tradition. At the bottom, I have posted a lovely pair of tits.

Approx 4.5kms (f***ed if I know, I forgot to measure)

We gathered at an awesome virgin run site at the Slovenian Club. It had ample space and shelter galore to protect us from the rain – with the exception of one rouge drip that for some reason people kept standing under.

After being pointed in the right general direction, off the pack went. At the first check, Bearded Clam found himself on the wrong side of the tracks. The rest of the pack did not see him again until the end. During that time, he and 3 of his friends journeyed along the tracks in search of a dead body, fame, treasures, and anything else life would throw at them. They encountered ‘Chopper’; a vicious car-yard security dog (sic balls), had to outrun a speeding train and even deal with c**k-sucking leeches.

Opps, sorry.... that is the plot line of the movie “Stand by Me”. What Bearded actually got up to is anyone’s guess.

We DID all encounter a few friendly locals and annoy a group of D***s trying to shower. Am I allowed to type that word these days? I don’t want to offend anyone. F*** it, I’ve typed it and I’ll type it again.... shower.

Nosh was Budda's special – Kransky rolls followed by the obligatory Tim Tams.

See you next week. On On - £oo\$e Çhang€

PS – Here's what Bigus was REEEEEAALLLY doing on the 1st.... getting arrested.
